

Celebrate your Graduate

We've partnered with Our Town Publishing of Medway to provide you several unique products to help you celebrate their graduation. A car banner can be used to both decorate your senior's car for their celebratory parade and your house.

Please send your payment along with your photo. If you need a photo, please reach out about a mini photoshoot and I can take care of that for you. Feel free to share this flyer with your friends in other towns as we can customize your product for any school or university for an additional \$10 per item.
